- Why the primary responsibility for the outcome of the Steps appointment does not lie with you but with the freedom seeker
- Why your role is not to work out what is wrong and to "fix" it but simply to help the freedom seeker connect to the One who is the "Wonderful Counsellor"
- How to set up the appointment and manage it effectively
- What each of the seven Steps is about and how to lead people through them
- How to help freedom seekers identify faulty beliefs and begin a process of renewing their minds

Led by experienced practitioners from Freedom In Christ's team, this event is crammed with hints, tips and practical experience and gives plenty of opportunity for you to ask questions.
