A BRIEFING FOR CHURCH LEADERS

EFFECTIVE DISCIPLESHIP — THE KEY TO HELPING YOUR CHURCH MAKE AN IMPACT

JUST TWO HOURS

A church with growing, fruitful disciples of Jesus is a growing, fruitful church that is making a real difference.

Understanding how to make *fruitful disciples*, not just *converts who are getting older*, is a critical issue.

Historically, discipleship has often been seen as 'teaching Christians to behave in the right way'. But just 'trying harder' leads to joyless legalism. In practically all of his letters to the churches, the Apostle Paul does not tell us a single thing about how to *behave* or what to *do* until the second half of the letter. Why? In the first half, he helps us understand *who we now are* and what we have in Christ. When we know these things, the rest follows: we live for God not because we feel we have to but because we know and love Him.

Freedom In Christ Ministries has equipped thousands of church leaders to use this 'identity-based discipleship' approach. They have gone on to disciple over 250,000 Christians in 6,000 UK churches using our core resource, *The Freedom In Christ Discipleship Course*. They report excellent results (see our website for some stories).

You and other leaders in your church are warmly invited to a briefing event, *A Strategy For Church-Wide Discipleship*. In two hours, we'll outline three key concepts for developing a church-wide discipleship strategy and introduce you to our core tools.

If you like what you hear, we'd be delighted to go on to work with you as you develop a whole-church discipleship strategy. We do not offer a

'one size fits all' approach but love to help each church team identify their specific calling and gifting and select the tools that are appropriate for their own situation.

We encourage you to start small and take your time. So that these key Biblical principles become part of how you 'do church' and you establish a solid foundation for years to come.

These two-hour briefings for church leaders and leadership teams are being held all around the UK between September and November 2014. There is no cost to attend but you do need to book your place in advance.
