With **STEVE GOSS, ROB DAVIES, JESS REGNART & ROD WOODS**

Freed To Lead is a 10-session course plus book for Christians in any kind of leadership position.

It teaches how to lead from your identity in Christ so that you are authentic and real. Participants learn how to avoid drivenness and burnout, survive personal attacks and use conflict positively. It is ideal for church leadership teams to use first before rolling it out across the whole church.

Nearly every church leader will tell you that reaching young adults is top of their priorities – but they don't have the resources they need. *disciple* will be launched in June and is a 10-session multi-media small group course that communicates the life-changing

message of Freedom In Christ to the millennial generation in their own language.

COME AND BE INSPIRED!

Steve Goss will hand the baton of leading FICM UK to Rob Davies in September but will retain international leadership.

Jess Regnart equips churches to disciple young adults and youth. Rod Woods is pastor of City Temple, London, and co-author with Steve Goss of *Freed To Lead*.

This 2-hour event will bring you all the latest news and resource information from Freedom In Christ and send you away inspired to make disciples. You will:

- meet Rob Davies who takes over leadership of FICM UK in September
- hear from Steve Goss the amazing stories of what is happening around the world through FICM in countries such as Iran, Russia and Ethiopia
- hear from Jess Regnart how the church can keep and disciple young adults, the “missing generation”, and see the new *disciple* resource
- preview the new *Freed To Lead* resource written by Rod Woods and Steve Goss to equip Christians who are in any kind of leadership role.
