MAKE FRUITFUL DISCIPLES AND TRANSFORM YOUR LEADERSHIP

➔ WHAT

It's not as if we don't already have fruitful disciples in our churches. Just not enough - and leading them can be tough!

This specially prepared training day for the Isle of Wight will equip you to help every Christian grow to maturity and bear fruit that will last *and* lay the foundations for transformational, identity-based leadership.

First we'll establish the three key principles of the Freedom In Christ Approach. We'll then explore how you can practically implement them for a whole-church, cross-generational strategy for discipleship which will help you make fruitful disciples. And finally we will equip you to firmly root your leadership in your identity in Christ so that you can lead from your *being*, free you from driveness and burnout and help you be the leader God created you to be.

"Freedom In Christ has given us a framework that has allowed people to examine their history and lifestyle without fear and humiliation and provide a way for them to walk from the shadows into the certainty of their new life in Christ."

Graham Marsh, Kings Church Eastbourne

"It has been a great blessing to find a course that combines spiritual development with a powerful healing dynamic and that is equally suited for use in contexts that range from an area of high social deprivation to the more affluent estates."

Canon Steve S Morgan, Christ Church, Merthyr Tydfil
