FREEDOM  
IN CHRIST

# Getting started with The Freedom In Christ Approach

It's not as if we don't already have fruitful disciples in our churches. Just not enough! This evening will introduce you to the Freedom In Christ approach and will first establish a foundation of key Biblical principles. We'll then look at practical ways to implement them using the Freedom In Christ Discipleship Course (now used by around 125,000 in the UK) and Freedom In Christ For Young People, developed in partnership with British Youth For Christ.

## Topics covered include:

- Helping every Christian mature and become fruitful much faster
- Why many Christians do not know what they already have
- Equipping people to win the spiritual battle and stand firm
- Helping others assume responsibility for their walk with God
- Why we can expect every Christian (no matter how badly "messed up") to become a fruitful disciple
- Introduction to taking people through The Steps To Freedom In Christ to resolve personal and spiritual conflicts
- Tips for running the Freedom In Christ Discipleship Course and Freedom In Christ For Young People
- Running the courses after introductory courses such as Alpha

## Who should attend this event?

- Church leaders and youth leaders
- Anyone who is likely to be involved in running The Freedom In Christ Discipleship Course or taking people through The Steps To Freedom In Christ
