EFFECTIVE DISCIPLESHIP — THE KEY TO HELPING YOUR CHURCH MAKE AN IMPACT

JUST TWO HOURS

A church with growing, fruitful disciples of Jesus is a growing, fruitful church that is making a real difference.

Understanding how to make *fruitful disciples*, not just *converts who are getting older*, is a critical issue.

Historically, discipleship has often been seen as 'teaching Christians to behave in the right way'. But just 'trying harder' leads to joyless legalism. In practically all of his letters to the churches, the Apostle Paul does not tell us a single thing about how to *behave* or what to *do* until the second half of the letter. Why? In the first half, he helps us understand *who we now are* and what we have in Christ. When we know these things, the rest follows: we live for God not because we feel we have to but because we know and love Him.

Freedom In Christ Ministries has equipped thousands of church leaders to use this 'identity-based discipleship' approach. They have gone on to disciple over 200,000 Christians in 4,000 UK churches using our core resource, *The Freedom In Christ Discipleship Course*.

You are warmly invited to a briefing event, *A Strategy For Church-Wide Discipleship*. In two hours, we'll outline three key concepts for developing a church-wide discipleship strategy and introduce you to our core tools.

We'd be delighted to go on to work with you as you develop a whole-church discipleship strategy. We do not offer a 'one size fits all' approach but love to help each church team identify their specific calling and select tools appropriate for their own situation.

WHO IS THIS EVENT FOR?

This briefing is specifically aimed at church leaders, youth leaders and those within a church who have responsibility for discipling others.
