CHURCH LEADERS BRIEFING

➔ WHAT

Freedom In Christ Ministries has equipped thousands of church leaders to make fruitful disciples.

Over 250,000 Christians in 6,000 UK churches have been through our core resource, *The Freedom In Christ Discipleship Course*.

This is an opportunity to spend a couple of hours with the FICM team to evaluate how the approach could work in your church.

single thing about how to *behave* or what to *do* until the second half of the letter. Why? In the first half, he helps us understand *who we now are* and what we have in Christ. When we know these things, the rest follows: we live for God not because we feel we have to but because we know and love Him.

In two hours, we'll outline three key concepts for developing a church-wide discipleship strategy and introduce you to our core tools.

If you like what you hear, we'd be delighted to go on to work with you as you develop a whole-church discipleship strategy.

We will encourage you to start small and take your time. So that these key Biblical principles become part of how you 'do church' and you establish a solid foundation for years to come.
