HELP
STEVE & ZOË GOSS
EQUIP THE CHURCH
TO MAKE DISCIPLES
OF ALL NATIONS

THEREFORE, GO AND MAKE **DISCIPLES** OF ALL THE NATIONS...

We live in an unprecedented time of opportunity. In the last hundred years, with the exception of Western Europe, the Church has been growing hugely all around the world - in fact there are more Christians alive today than have ever died! The big question is this: will those converts go on to become fruitful disciples? Or will they keep drinking milk long after they should be on spiritual meat?

Steve and Zoë Goss have a passion for equipping the Church to make real, fruitful disciples who are making an impact. In the UK alone over 300,000 people have been through the Freedom In Christ Course which was written by Steve based on the principles developed by Dr. Neil Anderson. It has now been translated into over 20 languages with many more in progress. Under Steve's leadership, Freedom In Christ Ministries has gone from operating in 7 countries to operating in nearly 40, even though he has continued to spend half his time leading the UK ministry.

The time has come for Steve to hand over the UK ministry to Rob Davies and devote himself full time to equipping the Church internationally. A new charity, Freedom In Christ Ministries International, has been founded (in the UK) and Steve has assembled an executive team of 10 people based all around the world (from Canada to Malaysia to Nairobi) to work with him to support our national offices and Representatives and to bring new ones on board. He will continue to co-ordinate the production of new discipleship resources for the Church around the world.

WILL YOU HELP STEVE & ZOË EQUIP THE CHURCH WORLDWIDE?

Do you share our vision to see converts become fruitful disciples? We need to raise funds for the other half of Steve's salary and also to cover the costs of international travel. **Will you become part of Steve and Zoë's personal support team?**

STEVE SAYS:

“Jesus said, ‘I will build my church,’ and He has been doing just that ever since. About a million people turn to Christ every week.

But whether they become fruitful disciples is a matter of knowing who they are in Christ, understanding how to win the spiritual battle and being transformed through the renewal of their mind.

Through Neil Anderson, God has blessed FICM with the tools to help them do just that and I’m incredibly excited about seeing them go out into ‘all the nations’ (just 150 or so more to go now!).

As I ‘equip disciples to make disciples’, my top priorities are:

1. Identify and equip the right people to lead FICM in new countries.
2. Encourage and support our existing directors and Representatives.
3. Spearhead the development, translation and distribution of new discipleship resources for churches.

We keep in regular touch with our supporters. If you join the team, we look forward to keeping you bang up to date with what’s happening.”

Neil Anderson hands over the baton of international leadership to Steve.

A residential training workshop for church leaders in Sri Lanka.

A marriage retreat for couples in leadership in the Romanian church.

The picture above is of a training event in Korea for leaders of the Chinese underground church who absolutely loved FIC and were amazed to learn of their identity in Christ.

Iran is seeing a great revival but Christians are being imprisoned and killed. The FIC Course is now in Farsi and pastors are being trained over the border in Turkey.

Africa has seen huge revival but desperately needs good discipleship resources. We now have 6 countries on board supported by our Africa Directors based in Kenya.
