## GETTING STARTED

Our half-day workshop that will equip you to implement our 3-pronged approach and get you started using Freedom In Christ. We will practically demonstrate the 3Ts of the Freedom In Christ approach:

- TRUTH - why knowing your new identity in Jesus is the key to unlocking truly transforming discipleship
- TURNING - how fully understanding the nature of the spiritual battle we are in ensures we can take the authority we have in Jesus, repent, and be set free from all that holds us back.
- TRANSFORMATION - how walking on in fruitfulness is about recognising lies and continually renewing your mind to the truth.
