

# THE INVITATION

*An invite to join Jess as she works with Freedom in Christ to make disciples of every generation...*

Each generation faces new and unique challenges to their faith which we need to understand and navigate, if we are going to fulfil our mandate to make disciples of every generation, and see the church filled with surrendered disciples who are making a difference in this world.

Culture is moving faster than ever, with each change come new traps and pit falls. Not keeping up with these cultural shifts has had devastating consequences with only 7% of 18-30's going to Church and 65% of them having never heard the gospel. Sadly, it's not improving as we still lose 7 out of 10 of churched teenagers to the world by the age of 18.

The mission field is ripe, and the situation is shocking even just here in the UK with an unprecedented rise in self-harm, eating disorders, anxiety and depression. If we look globally we see that, although each context has unique challenges, the situation is multiplied across much of the planet. It's time to turn this around...

...The power of the gospel to transform all generations is as great as it ever was – we just need to adapt faster than ever before in how we help people connect with it. And that's my role within Freedom in Christ ministries under the banner of 'Director of every generation' – Making sure that we are reaching every generation with this life changing teaching and tools!

Will you join me so that we can turn this around?

*By partnering with me you will enable me to work with the Freedom in Christ team to:*

- Continue to do research on the prevailing culture to ensure everything we do is instructed with fact as well as prayer.
- Share the biblical teaching and tools we have far wider in the UK and internationally through training events, online teaching, and by empowering theology colleges and mission organisations with the FIC tools.
- Produce new resources for Christian Leaders to use in the discipleship process – I am currently working on a new youth course.
- Equip the FICM team in the UK and abroad to make sure that we are communicating and reaching all generations in a culturally relevant, and transformational way.
- Oversee Freedom Academy – our new annual mentoring and equipping programme for 20-30's in individual and corporate freedom principles.
- Support and advise leaders working with those who are struggling with deeper issues like self-harm, eating disorders, addictions, anxiety and depression.

*There are 3 ways you can join me:*

PRAY: Prayer empowers everything we do in FIC and every success has had a barrage of prayer behind it – we cannot overstate the difference it makes. My prayer partners get regular updates on all the excitement and detailed prayer points so you know what is going on and when.

SOW: Financial partners get to sow directly into what God is doing and build real kingdom treasure. By giving to my mission you are directly enabling me to do this role and making a huge difference. No amount is too small (or too big). I am seeking both Churches and individuals to join me.

ENCOURAGE: Every mission has its highs and its lows, no matter how God-focused you are. I am so thankful for those on my team that have the gift of encouragement and always seem to deploy it at the right moment.

Yours in Christ and for freedom,
